SEC 03 ITEMS SCHEDULE

26 LINE ITEMS · 3 GROUPS

#	DESCRIPTION	QTY	UNIT	UNIT PRICE	AMOUNT
A	**ELECTRICAL DISTRIBUTION**				9 ITEMS
1	**Armoured power cable 4-core 95 mm² Cu/XLPE/SWA/PVC, 0.6/1 kV to BS 5467, supplied on returnable steel drums with mill certificates, heat-number tagging and third-party routine test reports for the Northgate Foods factory phase two production hall and utilities infrastructure package. Line 1.** Delivery in tranches. Includes factory acceptance test, packing, haulage and site offloading at Gate 2.	1	pcs	₦ 125,000	**₦ 125,000**
2	**Armoured power cable 4-core 95 mm² Cu/XLPE/SWA/PVC, 0.6/1 kV to BS 5467, supplied on returnable steel drums with mill certificates, heat-number tagging and third-party routine test reports for the Northgate Foods factory phase two production hall and utilities infrastructure package. Line 2.** Delivery in tranches. Includes factory acceptance test, packing, haulage and site offloading at Gate 2.	2	sets	₦ 129,750	**₦ 259,500**
3	**Armoured power cable 4-core 95 mm² Cu/XLPE/SWA/PVC, 0.6/1 kV to BS 5467, supplied on returnable steel drums with mill certificates, heat-number tagging and third-party routine test reports for the Northgate Foods factory phase two production hall and utilities infrastructure package. Line 3.** Delivery in tranches. Includes factory acceptance test, packing, haulage and site offloading at Gate 2.	3	m	₦ 134,500	**₦ 403,500**
4	**Armoured power cable 4-core 95 mm² Cu/XLPE/SWA/PVC, 0.6/1 kV to BS 5467, supplied on returnable steel drums with mill certificates, heat-number tagging and third-party routine test reports for the Northgate Foods factory phase two production hall and utilities infrastructure package. Line 4.** Delivery in tranches. Includes factory acceptance test, packing, haulage and site offloading at Gate 2.	4	tonnes	₦ 139,250	**₦ 557,000**
5	**Armoured power cable 4-core 95 mm² Cu/XLPE/SWA/PVC, 0.6/1 kV to BS 5467, supplied on returnable steel drums with mill certificates, heat-number tagging and third-party routine test reports for the Northgate Foods factory phase two production hall and utilities infrastructure package. Line 5.** Delivery in tranches. Includes factory acceptance test, packing, haulage and site offloading at Gate 2.	5	pcs	₦ 144,000	**₦ 720,000**
6	**Armoured power cable 4-core 95 mm² Cu/XLPE/SWA/PVC, 0.6/1 kV to BS 5467, supplied on returnable steel drums with mill certificates, heat-number tagging and third-party routine test reports for the Northgate Foods factory phase two production hall and utilities infrastructure package. Line 6.** Delivery in tranches. Includes factory acceptance test, packing, haulage and site offloading at Gate 2.	6	sets	₦ 148,750	**₦ 892,500**
7	**Armoured power cable 4-core 95 mm² Cu/XLPE/SWA/PVC, 0.6/1 kV to BS 5467, supplied on returnable steel drums with mill certificates, heat-number tagging and third-party routine test reports for the Northgate Foods factory phase two production hall and utilities infrastructure package. Line 7.** Delivery in tranches. Includes factory acceptance test, packing, haulage and site offloading at Gate 2.	7	m	₦ 153,500	**₦ 1,074,500**
8	**Armoured power cable 4-core 95 mm² Cu/XLPE/SWA/PVC, 0.6/1 kV to BS 5467, supplied on returnable steel drums with mill certificates, heat-number tagging and third-party routine test reports for the Northgate Foods factory phase two production hall and utilities infrastructure package. Line 8.** Delivery in tranches. Includes factory acceptance test, packing, haulage and site offloading at Gate 2.	1	tonnes	₦ 158,250	**₦ 158,250**
